

# District 10 Newsflash

Brought to you by Clayton Perry, District 10

June 7, 2018

Howdy Neighbors,

North East Independent School District recently announced that they will be implementing a new clear backpack rule for High School and Middle School children for Fall 2018. Elementary School students will still be permitted to use traditional backpacks. Students will also still be allowed to use band and athletic bags, purses and lunch bags. To keep in line with this rule, we will purchase both clear and traditional backpacks to be given away during our back to school event.

Summer school will be held at Roosevelt High School, Ed White Middle School, and Driscoll Middle School. It is important to note that school zones will be in effect for those three schools throughout the summer.

SAWS has announced that Stage 1 water restrictions are in place. Watering with an irrigation system is only allowed once a week before 11 a.m. or after 7 p.m. and is determined by the last digit of your address. The schedule is as follows: Addresses ending in a 0 or 1 can water on Monday, 2 or 3 on Tuesday, 4 or 5 on Wednesday, 6 or 7 on Thursday, 8 or 9 on Friday. Hand watering is allowed at any time. For more information, click [here](#).

We will be hosting a community meeting on Monday, June 18th, at 7:00 at the [Tool Yard](#). We will be joined there Solid Waste Management, The San Antonio Food Bank, and Mr. Doug Thomas who will present on the [Texas Lions Camp](#).

Make sure you go through this entire newsflash! You might just find out how to win \$10,000.

As always, thank you for being active community members and leaders here in District 10, and do not hesitate to contact our office if we can be of any assistance to you.

- Clayton

**Clayton Perry**  
Councilman District 10

## **Councilman Clayton Perry Expresses Frustration with Failure to Consider City Homestead Tax Exemption during Annual Goal-Setting Workshop**

**SAN ANTONIO (May 30, 2018)** — At the City of San Antonio's annual Goal-Setting workshop for the Fiscal Year 2019 Budget, Councilman Clayton Perry called for property tax reductions in the form of a City Homestead Tax Exemption, but was not supported by the majority of his fellow councilmembers.

"San Antonio is the only major city in Texas that does not offer its homeowners a City Homestead Tax Exemption. It is a shame that we will not consider offering our homeowners a minimal exemption to help offset the City's constant rate increases or take the time to review data before the July 1st deadline. Our residents place faith in Council to be fiscally responsible with their tax dollars, yet we continue to raise their fees and offer no relief in return.

This fight is not over for me. I pledge to continue working with my colleagues on crafting a responsible budget and will continue working towards a City Homestead Tax Exemption for San Antonio."
